## Reviews of the **Cars and Trucks (A Billion Golden Memories of Little Golden Readers)** *by* Richard Scarry

- **Bloodhammer**

Richard Scarry is one of the best children's author's of all time. This book illustrates his creativity and passion for story telling. The thing I love about his work is the detail he puts into every page. My children absolutely love his stories and often find new things every time we read this story. I grew up with Richard Scarry books and my kids love them as much as I do. His stories always have a great moral message and his illustrations will intrigue you night after night.
