

# Hydrodynamic Fluctuations, Broken Symmetry, And Correlation Functions (Advanced Books Classics) by Dieter Forster

**ISBN:** 0201410494

**ISBN13:** 978-0201410495

**Author:** Dieter Forster

**Book title:** Hydrodynamic Fluctuations, Broken Symmetry, And Correlation Functions (Advanced Books Classics)

**Pages:** 352 pages

**Publisher:** Westview Press (March 8, 1995)

**Language:** English

**Category:** Physics

**Size PDF version:** 1611 kb

**Size ePUB version:** 1519 kb

**Size DJVU version:** 1210 kb

**Other formats:** lrf lrf rtf docx

From the Preface: "The purpose of this book is to present and apply a language and to discuss methods which make it very convenient to exploit such analogies, and which are uniquely suited to describe and explain non-equilibrium phenomena in a rich variety of many-particle systems: the language of time correlation functions and linear response theory."
